

Sam Anders Serenity Scramble 2024

We had another successful Golf Tournament at The City Club Marietta in Marietta, Georgia. We had 55 golfers compete in the 14th Sam Anders Serenity Scramble benefiting the Ridgeview Alumni Charitable Corporation. The tournament champion was the team comprising of Rob Wood, Justin Stewart, Beau Blauser and Gary Baucum. After the tournament, there was a four-person shoot-out for \$50,000.00 for a hole in one (no winner). We had a great lunch and raffle with plenty of food, fellowship and a fun!

We would like to thank all of the participants and our sponsors. And a special thanks to Evan Oglesby, the retired NFL players and an Olympic Athlete.

All funds raised will allow the Ridgeview Alumni Charitable Corporation to continue to provide support through education, treatment, medication, and housing to individuals in need of mental health and substance abuse services.

We look forward to seeing a larger turnout next year on Friday, October 24, 2025.!
